

After Working for OSHA as an Industrial Hygienist Compliance Officer and for the most automated manufacturing facility in the world managing Ergonomics, Safety and Industrial Hygiene for over a decade, I started **On-Site Consulting Services, LLC & ErgoPlus+** 8 yrs ago. My goal is to bring affordable, professional proven experience to all employers in order to prevent Injuries, reduce your W.C. costs and solve your Ergonomics, Safety and Health problems. One client reduced ergonomic injuries 48% in 2 years with our proven methods and saved over \$4.5 million in workers compensation costs! In addition to our programs and knowledge, we also manufacture safety organizers to give your safety program a professional organized look everyone will notice. We are distributors of over 300 hand selected ergonomic products. **Trust and Proven Results!** This is why we are the **FASTEST** growing H.R., Environmental, Ergonomics, Safety and Health Consulting & Products Company in the Midwest!! **I look forward to working with you!**

Lee DeYoung, Ergonomist, Safety / Health Professional
